

### **NECC PURPOSES**

Northeast Community College provides:

- 1) career education programs that develop knowledge and workforce skills;
- 2) the first two years on an undergraduate curriculum so students may successfully transfer to and perform at four-year colleges and universities;
- 3) a general education program that promotes the development of basic knowledge and skills;
- 4) customized educational programs that meet personal and professional needs of individuals, businesses, and industries;
- 5) student support services and student life opportunities that promote social, personal, and educational development;
- 6) transitional learning opportunities that enable students to be successful in subsequent related college course work;
- 7) resources and services that contribute to the intellectual and cultural life on the community; and
- 8) assistance to communities in furthering business, industry, community, and economic development.
