1. The Student Government Association (SGA) meeting convened at 5:00 p.m. on Thursday, August 26, 2004, in the Student Center Conference Room, with President Marshall Rosenblad presiding.
2. SGA members received a copy of the travel policy and will discuss it further at the next meeting.
3. Genevieve reported that the Student / Staff picnic was successful and 722 people attended. There were more applications turned in but the SGA still needs to get additional sophomore applications in.
4. Marshall was interviewed by the View Point and talked about the SGA.
5. Heather contacted Love Signs and the SGA banner should be done by next Wednesday. It will be a white 3 by 5 foot banner with the logo in full color.
6. Rick and Genevieve had a meeting about the budget and discussed different ways to save money.
7. Marshall discussed parking spot issues. Discussion concerning membership requirements for the SGA has been moved to a future meeting.
10. Heather and Genevieve are in charge of making the ballot.
11. Genevieve asked for assistance with the voter registration from someone who has experience with the American Government.
12. To encourage students to vote, Rick brought up the idea of having a member from the Republican Party and a member from the Democratic Party come and debate. This would be a great opportunity for the students to hear what both sides have to say. Heather will talk to Rick and start making calls to the different Parties.
13. Marshall is in charge of sending Thank You cards to the various faculty members who helped serve at the Student/ Staff picnic.
14. Genevieve is in charge of making posters for the freshman elections.

14. In a vote of three to zero, Albano was removed from his position on SGA based on his failure to fulfill the membership requirements listed in the constitution.

15. With no further business to discuss, the meeting adjourned at 6:15 p.m.
