Large special functions may require more notice. This menu is a guide for your convenience. Special requests may be discussed and arranged with the management. Food service request forms may be obtained from the NECC Mailroom. Please complete and return to the Catering Manager. You are encouraged to discuss menu suggestions, waiter/waitress needs, set-up, service time, and patron count deadline with the Catering Manager. The Catering Manager will acknowledge the order within a business day of the receipt of the Food Service Request. Any further questions will be clarified by the Manager before the function. A guaranteed number of people for food functions must be phoned in at least two business days prior to the event. Agencies outside of NECC using food service must go through an NECC co-sponsor contact.

Please discuss vegetarian or special menu requests with catering manager. Vegetarian requests can often be accommodated through choices currently on menu. We also offer individually prepared meals for an extra charge of \$10 for each cold meal (ex. Fruit plate, vegetable platter) and \$15 for each individual hot meal.

A billing invoice will be sent within 30 days following the event. A \$5.00 service fee will be charged on all orders less than \$50. Applicable sales tax applies to all food and beverage purchases. Tax exempt numbers must be on file with First Choice Food Service, Inc.
